

# NEIGHBORHOOD SLOW STREETS

## Focus Area: Florence Street

Our goals for this street are:

- ▶ Slow turning drivers between curves
- ▶ Add crosswalks

Concept 1 adds:

- ▶ Raised crosswalk at Sycamore Street to slow drivers
- ▶ New crosswalks over Sycamore, Brookdale, and Florence Streets
- ▶ Curb extensions near Marion Street to create a more gradual curve, slowing traffic

Concept 2 adds:

- ▶ Raised crosswalk at Sycamore Street to slow drivers
- ▶ New crosswalks over Sycamore, Brookdale, and Florence Streets
- ▶ Splitter island to keep drivers in their lane and to slow them down

*Concept designs subject to change with advanced engineering*
